

- “We were executing a sound strategy. Enter COVID-19. “
- “We know that our pre-pandemic strategy at best needs adapting and at worst is irrelevant now.”
- “We need—but don’t have time to develop—a strategy for ‘The New Normal.’”

## Answer: A Rapid Strategy Summit with Ascendient

- Designed to deliver sound, actionable strategies through a one- or two-day executive leadership event. Customized modules to correspond with your situation.
- Now with modules designed specifically to address the impact of COVID-19 and the emergence of “The New Normal” as outlined in our blog [post](#). Available virtually. Plus, flexible event structure to balance executives’ need to focus on strategy with today’s operational demands.
- Click [here](#) to discuss details or, if not quite ready, to let us know when best to contact you.
